Time and Effort Certification Report

Federal regulations require certifications for all College employees whose salaries are paid in whole or in part by a federally sponsored project. In order to comply with the federal regulations 2 CFR § 200.430 and the College's Time and Effort Reporting Policy, each employee working on federal and/or non-federal sponsored project(s) needs to complete this form monthly.

Principal Investigators/Project Directors are responsible for the distribution, collection and submission of all employee Time and Effort Reports for their sponsored project(s). Please send the completed form to the Office of Grants Administration, Sponsored Programs, at 631 Niagara Street by the 5th of the month following the month being reported. All completed forms will then be delivered to the Office of the Controller for final review and retention. If you have any questions, please call the Office at ext. 7998.
